# A LANDSCAPE PROJECT REQUIRES DOZENS OF IMPORTANT DECISIONS

Among those decisions are: choosing the right products, the right color and the right style. However the most important decision of all is choosing the **right contractor for the job** because even the best designs and materials can be ruined by poor installation and workmanship.

## YOU CAN TRUST UNILOCK AUTHORIZED CONTRACTORS

**UNILOCK AUTHORIZED CONTRACTORS** are true professionals who are experienced in proper site preparation, grading, base materials and compaction so you can rest assured that your project will look great and structurally perform for years to come.

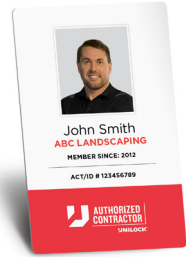

- ✓ Knowledgeable design advice
- ✓ A comprehensive estimate
- ✓ Quality base materials and installation practices
- ✓ A great looking project that stands the test of time

# HAND-PICKED BY UNILOCK

Unilock rigorously vets contractors before they are accepted into the program.

- ✓ **Workmanship** is inspected in progress, and three years after installation
- ✓ Business practices are reviewed and **proof of insurance** is required
- ✓ We check customer **references** before a contractor is accepted into the program
- ✓ Authorized Contractors must be **re-certified each year**

# PEACE-OF-MIND GUARANTEE

All Unilock Authorized Contractors offer a **MINIMUM TWO YEAR GUARANTEE** on their workmanship.

## BACKED BY UNILOCK

We believe so strongly in the quality of the workmanship and integrity of Authorized Contractors, that should they be unable or refuse to fulfill their warranty obligations, Unilock will step in and **back their warranty.**\*

*“The Authorized Contractor Unilock recommended was just outstanding. Knowledgeable. Professional. A good person, and that takes a lot of the worry out of it. Our driveway is not only functional, but it’s beautiful. It’s been through several winters now and hasn’t moved. It’s wonderful.”*
